

Directions to IU Bloomington

(just under 2 hours away – depending on traffic)

1. Take I-65 north – *continue for about an hour (depending on how fast you drive)*
2. Exit I-65 at the IU-Bloomington exit (Hwy 46) – **this is also the Columbus (IN) exit**
3. You'll eventually reach a t-intersection (left is Hwy 46 and right is Hwy 135). Turn left on Hwy 46 and continue until you reach the Bloomington area
4. Stay on Hwy 46, but Hwy 46 will eventually become 3rd Street
5. About a half mile (7-8 streets) after crossing Smith Road, you'll see Hwy 45/Hwy 46 (at a traffic light). As you approach this traffic light, **you should see an Arbys, then a CVS on your right side**
6. Turn right at the traffic light
7. Continue straight, heading north on Hwy 45/46 (you'll go over some railroad tracks and see the school on your left hand side)
8. After the first traffic light (just past the railroad tracks), you'll see 17th Street. You could turn left here, but it's easier to just continue along until you get to North Fee Lane (your next traffic light after this first one)
9. Turn left on North Fee Lane
10. The Harry Gladstein Fieldhouse will be on your right (entrance in the first parking lot – north side)

Additional directions: <http://iuhoosiers.cstv.com/facilities/ind-facilities-gladstein.html>

Park in the main lot on the north side of the Fieldhouse (or the smaller lot if there's room).

They use 2 different entrance locations with this meet, but one of them is closed in some years (it seemingly changes from year to year). Unless you see a sign directing you somewhere specific, then **check Entrance 1 first**. If entrance 1 is closed, then check Entrance 2 next. Entrance 2 is a door to a connecting hallway between the Gladstein Fieldhouse and (I believe) Assembly Hall.
