

UIndy Season Opener
University of Indianapolis
12/5/15

A handful of Assumption Cross Country and Track & Field girls travelled up to the University of Indianapolis to compete in the UIndy Season Opener. This was a great opportunity and our girls made the most of it!

The girls set two overall school records and several more got pretty close to breaking a class level indoor record. We also had a few personal bests, and a good number of girls competing in an event they've never done before. All in all, that signals a pretty good night.

Here is a link to the overall meet results (below).

Here are some highlights from last night.

1. Keegan Gray set the indoor school record in the 60m hurdles
2. Molly O'Dea set the indoor school record in the triple jump
3. Taylor Moore became the #5 all-time performer in the 60m dash, Amelia Blake ran a PR in the 60m and Chloe Moakler ran her first 60m dash ever.
4. Meghan Carrico came within about 3 seconds of the Senior class indoor record in the 800, and just missed winning her race.
5. Sydney Larkin ran the fastest 3000m race in school history. The only 3k times faster than hers were from girls running the 3200 or 2 mile.
6. Kara Bruns and Bridget Coleman came within 2 inches of tying the Junior class indoor record in the high jump.
7. Rachel Lancaster came within a foot of breaking the Senior class indoor record in the shot put.
8. Emily Wiegel, Katie Dumoulin and Allie Thomas all ran PRs in the 800. Lauryn Grady came within 3 seconds of her PR.
9. Sarah Whalen and Rachel O'Bryan ran their first indoor mile, second time at this distance indoor or outdoor, and both ran a PR. Lydia Matis ran in her first track meet ever, and broke 6:00 in the mile. Madison Malloy ran faster in the mile than she's ever run outdoors, and just missed her indoor PR.
10. Amelia Blake, Molly O'Dea, and Taylor Moore ran PRs in the 200, Chloe Moakler ran her first indoor 200 ever and came within a couple tenths of a second from her PR. Keegan Gray ran an indoor PR in the 200.

Again, we ran very well as a whole. Many of these girls have one more shot at a big performance before we shut down for finals, our break, etc. We're hoping for one more big push.
