

All-time Best Performers: 800m run

The times below are reported as FAT. Handtimes are adjusted by rounding up to the next higher tenth, followed by adding 0.24 seconds to that result (* = converted handtime).

A "c" indicates that the time was converted from yards to meters (e.g. 100 yards to 100 meters, 1 mile to 1600 meters, etc).
