

2013 Assumption Outdoor Track and Field Schedule

Note that this schedule includes some mandatory team events, as well as meets, and that there are 3 meets where everyone on the team is expected to attend and/or compete, and then stay until the meet has ended. The entire team will not necessarily compete in every meet, but we will produce an entry list in advance of each meet, so that everyone knows who's expected to compete. Except for girls who are competing in the post-season, the season will end on either May 1, 2 or 3.
